Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property as follows: "The agreed or declared value of the property is specifically stated by the shipper to not be exceeding _____ per _____. " (May result in additional charges)

DENSITY BASED

Received, subject and subordinate to the following limitations: the rates and/or terms agreed to by the parties outside of this bill of lading; tariffs in effect on the date of issue of the bill of lading; classifications and rules that have been established by the carrier and are available to the shipper, on request; all applicable state and federal regulations.

The parties agree that uShip is only providing a platform for the parties to independently arrange for and/or deliver freight without the solicitation or advice of uShip. The parties further agree that uShip is not a motor carrier, shipper, or freight broker under 49 U.S.C. 13102, is not their agent and has no control over performance hereunder, and is not involved in a joint venture relationship with the parties. The parties agree that uShip will be fully indemnified and held harmless for all fees, expenses, and costs incurred by uShip arising from or related to the fault, negligence or misconduct of the parties.

SHIPPER SIGNATURE / DATE

This is to certify that the above named materials are properly classified, described, packaged, marked and labeled, and are in proper condition for transportation according to the applicable regulations of the U.S. DOT.

Notice: Freight moving under this Bill of Lading is subject to classifications and tariffs established by the carrier and are available to shipper upon request. This notice supersedes any claimed oral or written contract, promise, representation, or understanding between parties, except to the extent of any written contract signed by both parties to the contract. Carrier certifies only ARB-compliant equipment will be dispatched on California highways or railways. I hereby declare that the contents of this consignment are fully and accurately described above by proper shipping name and are classified, packed, marked and labeled, and are in all respects in proper condition for transport according to applicable international and national government regulations. Any unauthorized alteration or use of this Bill of Lading or the tendering of this shipment to any carrier other than that designated by company, may VOID company's obligations to make any payments relating to this shipment and VOID all rate quotes. All shippers, consignors, or consignees are jointly and severally liable for the freight charges relating to this shipment. This is to certify that the above-named materials are properly classified, described, packaged, marked and labeled, and are in proper condition for transportation according to the applicable regulations of the Department of Transportation.
